

# Thursday 12th November

# Wildlife of a

# Hampshire Parish

Talk by Mike Read  
7pm

**Mike will be in the Churchill Lounge to give us a socially distanced talk on the wildlife experiences he has had in the forest.**

**A Ringwood Native, Mike has always known that his home town, set between the New Forest and the Avon Valley, is fabulous for wildlife. With a migration flyway and important wintering area to the west and extensive heaths and woodlands to the east, just about anything can turn up ..... and sometimes does! The wildlife locally can at times be quite surprising.**
